  - Mocha Pro Advanced user
- Photogrammetry
  - Mocha Pro
  - OSX / Windows Linux (CentOS)

## LANGUAGES

French: Native language  
English: Fluent Speaking and writing.  
German: School level

## HOBBIES

Music and concerts are really important to me. I'm particularly attracted by American Soul music (from fifties to present), Rock'n'roll and Jazz.

I really love to cook, and I think I am pretty good at it. Anyone who tasted my famous "Rougail saucisse" directly fall in love with me.

Inquiring, persevering and rigorous, I also show a good sense of humor.
